Sir,

With reference to Government Order No. 9370-89 L.B. 79-18-1 ated 27th. January 1919 directing the publication in the Mysore Gazette, of Proceedings of the Local Bodies, at their option, only on payment of printing charges, at usual rates , I have the honour to state that in view of the fact that under the Local Self Go--vernment Scheme a number of new Municipal Councils and Vil--lage Panchayats have been formed and that they require a com--mon medium of information on all matters connected with the scheme the issue of a separate part of the Weekly Gazette set apart solely for printing all matters connected with the Local Bodies in various parts of the Province, appears to be desirable and such an arrangement suggests itself as the most convenient for adoption. In this case, it does not seem difficult for the various Municipal Bodies and Local Boards to contribute annually a sum that may be considered necessary to meet the cost of pub--lication and subscribing for a number of copies of the Local-Self-Government portion of the Gazette(English or Kanada as the case may be).

2. This course will obviate the necessity for Local Bodies constantly entering into correspondence with the Super--intendent of Printing about the cost of publication and ad-

-justment

BRIEF ABSTRACT OF LETTER.

States that the Municipalities & Village Panchayats require a common medium of information on all matters connected with Z.I.G. scheme, the issue of a separate part of the Weekly Gazette set apart solely for printing all matters connected with Local Bodies in the Province appears to be desirable & solicits orders in the matter

municipal bodies and education. These two departments of Govt are daily growing. The extension of the Local Self Govt scheme is bringing in of late quite a large number of notifications, such as those of the appointment of chairman or members &c &c; and also of the several educational activities, together with the University work. This arrangement will also be in keeping with that obtained in British India. I therefore propose that Part I of the Gazette may be subdivided into Part I, I A and I B :- Part I A containing all Local Self Govt notifications, and Part I B all notifications pertaining to Education so that these parts will be quite self-contained and will be handy in every respect :-
